

Reported questions: exercise 2

Key with answers

Tim asked Sue if | whether she had passed her exam.

He also wanted to know how long it had taken.

Tim wondered how much she had revised for it.

Then he asked what the most difficult part was.

He wanted to know if | whether she had celebrated her success.

And he asked if | whether she was going to celebrate | she would celebrate it.

Tim was curious if | whether she would invite Sarah.

Finally, he enquired if | whether he could come too.
