

Be able to: exercise 3

Key with answers

Why didn't you go to hospital? They would have been able to help you.

Excuse me, would you be able to replace the wheel on my car?

There was no internet access. We wouldn't have been able to send you the report.

Maria, if I were fifty years younger, I would be able to do it for you.

I wouldn't be able to use this website without my ID and a password.

We would have been able to win the match if we had practised more.

Would you have been able to give me a hand if I had asked you for it?

If I needed to go to the airport next week, would you be able to take me by car?
