

Future perfect continuous: exercise 1

<https://www.e-grammar.org/future-perfect-continuous/>

Exercise 1

How long will Francis and his friends have been doing the following things by the end of their school holidays?

Example:

Francis - stay at his grandma's place

Francis will have been staying at his grandma's place for three weeks.

Samantha - travel round the world

Melanie - work at a summer camp

Robert - learn Spanish at a language school

Kevin - work on his house

Carol - practise beach volleyball

Peter - do community work

Naomi - take care of her neighbour's dog

Judy - attend driving school

Ben - climb mountains

Tom - do nothing

Samantha for a month.

Melanie for six weeks.

Robert for two months.

Kevin all the time.

Carol for more than a month.

Peter for three weeks.

Naomi for a couple of weeks.

Judy for quite a long time.

Ben for a fortnight.

Tom all the time.
