Exercise 2

I thought you were about to leave.

Please, forgive me for interrupting you.

I need to put a stamp on this letter.

My father suggested buying a BMW.

Have you ever heard her tell a joke?

I promise I'll attempt to work on computer.

He won't admit to take the money.

She is so noisy! I can't stand listening to her.

I'd rather meet them later.

As far as I know he agreed to do it.

They persuaded me to change more money.

I'm beginning to understand the problem.

Students hate doing homework.

It's my fault. I'm really sorry for hitting you.

He wanted to see it. He stopped to look around.
