

## Must - mustn't: exercise 4

<https://www.e-grammar.org/must-must-not/>

### Exercise 4

Use *must* or *mustn't* to respond to the situations.

Can you stay a little longer?

I'm sorry, I ..... go.

I'm so tired. Let's go back home.

No, never. We ..... give up.

Can you smell it?

Yes, I can. There ..... be a fire somewhere near.

Ouch, my back hurts!

You ..... do more exercise.

Do you want to study in Boston?

Yes, I do. But I ..... improve my English first.

Why are your neighbours so angry?

We ..... make so much noise at night.

I want to be the best.

OK. But you ..... cheat.

Mum, can I go out now?

Not now. You ..... tidy your room first.

I'm afraid it will rain.

We ..... take an umbrella.

There are two yellow lines on the road.

We ..... stop here.
