Exercise 2

Because I have been replacing the wheels on my car.

Really? I have been learning French for ten years.

No wonder. She has been waiting for her boyfriend for ages.

Yes, he really is. He has been sunbathing since the morning.

They have been relaxing all the weekend.

They have been playing in the rain since the match started.

Not yet. But I have been trying to phone him since you told me.

Yes, she is. She has been living next door for six years now.

They have been painting their bedroom.

Yes, please. She has been sleeping all day long.
