Exercise 3

How long have you been unemployed?

I have not had any job since May. But I have just applied for a job as a waiter.

You have never worked as a waiter.

I have helped at a wedding reception twice or three times.

Have they contacted you about their choice yet?

Nobody has got in touch with me since the interview.

And have you written to them?

Should I? I have not found the courage to do that so far.

If you have not done it yet, you should do it as soon as possible.
