

Zero conditional: exercise 1

Key with answers

Test 1

If a lion roars, it can be heard over five miles away.

If a lion joins a group of other lions, it usually stays with them for three years.

If lions go hunting, they work in teams.

If male lions use scent marking, they establish their territory.

If lions are active, it is usually at night.

Test 2

If lions rub each other's heads, they show their affection.

If any strange males try to enter their territory, lions fight them off.

If lions start fighting, the loser often dies.

If cubs are born, they are blind for six days.

If male cubs are two years old, they have to leave their mothers.
