### Why Samuel wakes up early

Every day little Samuel gets up early in the morning. He hurries downstairs and into the backyard.

Where is she? Yes, over there. His black and white kitten always plays in the grass. Little Samuel catches her with both hands, grabs her under her soft belly, lifts her into the air and kisses her on her pink nose. Then he carries her into the kitchen to give her a small bowl of milk. But sometimes he just watches his kitten running on the grass. What a fast cat she is! She never misses a mosquito that flies low above the ground.
